

This music is dedicated to my children,
Erik, John, and Kristina; to
Kayde for her vision of peace
and its effect on my heart;
and to all people who work for peace on this earth.

My papa got in the war. And
he got shot but did not die. He
got shot in the hart did not die in
the war but one day he could not
reach his hart pills and bice so
thats why I wish for pces on
Earth.

P.S I miss My papa
